

Dissemination Activities table - instructions

- **Related project result** - State which EOSC-hub project result is disseminated through this action (see **catalogue of project results**). While we don't have a full catalogue of results, please pick a related [expected project result](#)
- **Task #** - WP / task number
- **Type of activities – Outlet / Name – Estimated Reach – Link**

| Type | Description | What to add in <i>Outlet / Name</i> | What to add in <i>Estimated Reach?</i> | What to add as a <i>Link?</i> |
|--|--|---|---|--|
| Presentation | all presentations given at events, conferences, etc, after submission of an abstract, or invited presentations given at a small session / workshop | Name of the conference | Number of people in attendance of the talk | Abstract online or, if not available, the conference website |
| Invited keynote | all keynote presentations given in plenaries (or similar) as a result of an invitation | Name of the conference | Number of people in attendance of the talk | Abstract online or, if not available, the conference website |
| Panel discussion | if you participated in a round table / panel discussion in the context of a session / plenary | Name of the conference | Number of people in attendance of the panel | Abstract online or, if not available, the conference website |
| Journal paper | papers published in peer-reviewed journals – DOI mandatory! | Journal name | This is a difficult one! If you have no clue, write "Info not available". An option would be to add the number of citations, downloads, reads | the DOI of the paper, ideally in the form: https://doi.org/10... |
| Conference paper | abstract (short or long) published in proceedings, books of abstracts, etc. | Name of the conference | Number of people in attendance at the conference. Or, "Info not available" | Abstract online or, if not available, the conference website |
| Poster | poster presented at a conference | Name of the conference | Number of people in attendance at the conference. Or, "Info not available" | Abstract online or, if not available, the conference website; PDF of poster |
| Training event | all trainings, tutorials organised at events, workshops, etc, or tailor-made for specific communities | Name of the conference / the training | Number of people in attendance | Abstract/materials online |
| Webinar | same as above, but with the training delivered by teleconference | Teleconference | Number of people in attendance | Abstract/materials online; link to the recording |
| Blog post - News item - Newsletter article - Publication | <i>for items published in EOSC-hub channels:</i> WP3 will add the activity <i>for items published in other outlets:</i> please fill the entry | Name of the Blog / News Feed / Newsletter / Publisher | Number of clicks, number of views | Link to online version |
| Interview | if you are interviewed for a video, or an article, or a feature | Where was your interview published? | Number of clicks, number of views | Link to online version |
| Exhibition booth | if you present your result in a conference booth, for example: as a demo, with printed materials | Name of the conference | Number of people in attendance at the conference. Or, "Info not available" | Abstract online or, if not available, the conference website |
| Others | any other type of dissemination activity | | | |

Place - where it took place, or, Not Applicable

Date - of the article, presentation, workshop, etc. (format YYYY-MM-DD)

Type of audience:

Please select from: Existing User Communities (e.g. our competence centres) - Resource Providers - Scientific Community (prospective users) - SMEs and Industry - Civil Society - Policy Makers - Funding Agencies - EOSC-hub partners - Media - Other (please specify).

Feel free to use combinations of the above

Scale - Please select from:

- *European*: if the audience is primarily from European countries (consider the geographical notion of Europe, not the strictly EU)
- *Worldwide*: if the action can equally reach all countries, for e.g. if it is online. A scientific paper, for example, will always be "Worldwide".
- *Local*: if the action targets one or two countries, or regions within a country
